Washington, Jan. 1st, 1864.

Gentlemen—Having stated it verbally to you, I have no hesitation, in writing the fact, that I experienced marked benefit from your finofiant's German Bitters. During a long and tedious session of Congress, pressing and outerous duties nearly prostrated me. A kind friend anggested the use of the preparation I have named. I took his advice, and the result was improvement of health, renewed energy, and that particular relief I so much meeded and obtained. Others may be similarly advantaged if they desire to be. Truly, your friend,

THOMAS B. FLORENCE. BOOT & SHOE MANUFACTORIES, Also, work made to order, and Repairing

From John B. Wickersham, Esq., firm of Wickersham & Hutchinson, the celebrated Manufacturers of Fancy Iron Works, 250 Canal Street.

I am the recipient from you of one of the greatest favors that can be conferred upon man, viz. that of health. For many years have I suffered from one of the most annoying and debilitating complaints that the human family can be afflicted with, Chronic Diarrhea.

During the long time I was suffering from this disease I was attended by regular physicians, giving me but temporary relief. The cames seemed to remain until I was induced to try Hoofland's German Bitters. After the use of a few bottles of that invaluable medicine, the complaint appeared to be completely eradicated.

I often inwardly thank you for such a valuable specific, and, whenever I have an opportunity, cheerfully recommend it, with full confidence in its reliability.

and, whenever I have an opportunity, cheerfully recon mend it, with full confidence in its reliability. Yours, truly, JOHN B. WICKERSHAM. New York, Feb. 2, 1884. It is called Warson's Neusaldia King.

Watnon's Neuralgia King reaches the source of the trouble and banishes the disease from the system. Unlike the untold number of Liniments and Kubrocations which merely stimulate the surface, are but temporary in their effects, and are, at best, of doubtful virtue, it strikes at the seat of the allment, arrests it, kills it, eradicates it, and leaves no trace behind.

Watson's Neuralgia King also cures Gont and Dyspepsia in all their forms, it is now giving relief to thousands who have been suffering from these diseases, and who have tried all other reme los in vain.

Watson's Neuralgia King has received the highest testimonials from the highest sources in regard to its wonderful efficacy. It opers—s with equal success in mild and chronic cases, never 'ailing to work out a speedy and permanent cure. From Julius Lee, Esq., firm of Lee & Walker, the most extensive Music Publishers in the United States, No. 722 Chestout Street, Philadelphia. Messrs. Jones & Evans—Gentlement—My mother-in-law has been so greatly benefitted by your Heodiand's German Bitters that I concluded to try, it myself. I find it to be an invaluable tonic, and unhesitatingly recom-mend it to all who are suffering from Dyspepsts. I have had that disease in its most obstinate form—flatulence— for many years, and your Bitters has given me case when every thing else has failed. Yours, truly.

Promi the Hon. JACOB BERGOR.

Philadelphia, Oct. 7, 1864.

Gentlemen:—in reply to your inquiry as to the effect produced by the use of Hoofland's German Bitters, in my family, I have no hesitation in asying that it has been highly beneficial. In one instance a case of Dyspensia of thirteen years standing, and which had become very distressing, the use of one bottle gave decided relief, the second effecting a cure, and the third it sesues has confirmed the cure, for there has been no symptoms of its return for the last six years. In my individual use of it, I find it to be an unequalled tonic, and sincerely recommend its use to sufferers. Yours, truly,

JACOB BROOM, 1707 Broom Street.

Philadelphia, December 26th, 1863. and one" quack "Bitters," whose only aim seems to be to palm off sweetened and drugged liquor upon the community, in a sly way; and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that yours was really a medicinal preparation, I took it with happy effect. Its action not only upon the stomach but on the nervoussystem, was prompt and gratifying. I feel that I have derived great and permanent benefit from the use of a few bottles. Very respectfully yours,

The Governor of Cartiago was induced to send a commission of mountain travelers to inspect the volcano which had been uniting for several days columns of dense smoke. Merrousness, Consumption, Epilepsy, and Fits; Mental and Physical Incapacity, resulting from Self Abuse, &c. By Rousser J. Culveswall, M. D., author of the "Green Book, &c.

The world renowned author, in this admirable Lecture clearly proves from his own experience that the awful consequences of Self Abuse may be effectually removed without medicine, and without dangerous surgical operations, bougies, instruments, rings, or cordisis, pointing out a mode of cure at once certain and effectual, by which every sufferer, no matter what his condition, may cure himself chesply, privately, and radically. AN INTERESTING LETTER.—Mesars. Post
& Brus, agents N. Y. Sanitary Society, Rochester:
Gents:—I deem it due to you to state the magical effect
of that one bottle of People's Cure which I obtained from
you in November last. Seeing the advertisement of your
Society, offering to give your medicine to Clergymen for
the poor of their parishes, I obtained a bottle for a poor
girl of my congregation, who had long been nearly helpless from Rheumatism, and strange to say, that one bettle cured her entirely. I write this, hoping that it may
aid the Society in its efforts to introduce the medicine,
and bless those who may need such a remedy; and I use
strong terms, as I believe its merits will fully justify the
most superlative forus of speech.
Yours, Respectfully, C. R. WHAKINS,
